Partner with us to connect with mentoring, coaching and supervision professionals who are shaping the future of ethical and inclusive practice

A NOTE FROM OUR PRESIDENT

Welcome

Thank you for your interest in partnering with us on our next conference, EMCC UK Connect27.

Following the success of our collaborative EMCC UK & Global 2025 conference, I'm looking forward to welcoming our community once again. Every conference reminds me of the value of creating space for people to learn from one another, build lasting connections and leave inspired with fresh thinking to take back into their work and lives.

Events like this are made possible through collaboration with organisations that share our commitment to professional excellence and lifelong learning. We're delighted to invite you to be part of this event and hope this pack gives you a clear picture of the opportunities available.

We look forward to exploring how we can work together to create a valuable and memorable experience for delegates and partners alike. Together, we can inspire learning, strengthen connections and support the continued advancement of mentoring, coaching and supervision in the UK and beyond.

EMCC UK Connect27

CONNECT. REFLECT. LEARN. EVOLVE.

Creating space for the conversations and connections that move our industry forward

Key details

Date: 21-22 April 2027
Location: NCC Birmingham and online

Come together as a community of mentors, coaches and supervisors to deepen knowledge, strengthen connection and shape the future of ethical, inclusive practice.

Across two days, we'll welcome keynote speakers and industry voices to open up honest conversations on critical, current topics. Dynamic panel sessions will offer space for debate between practitioners, researchers and thought leaders, while interactive workshops will bring a hands-on, experiential dimension to the programme.

Dedicated reflection spaces will provide time to pause and process what you're taking in. Connection sits at the heart of this event, with built-in networking moments throughout to help you form meaningful, lasting professional relationships.

Our aim is simple: to offer practical insight, fresh inspiration and the space to think. You'll return to your work refreshed, better connected and empowered to evolve your practice with greater purpose and impact. Together, we'll navigate the evolving landscape of our profession – strengthening our collective voice and building a vibrant, supportive community for the future.

> ***"Fantastic day, really good value and use of my time. A great way for EMCC UK to provide a focus on important and emerging topics in the sector and for the organisation."*** *Festival 2024 delegate*
